[illegible]

→ If the entire row is the best deal, then only in column 2 with 10% reduction in price. Highest deal is the best deal. If the 10% SPAC is less than the other deal, then the deal is not the best deal. If the 10% SPAC is less than the other deal, then the highest deal is the best deal. If the 10% SPAC is less than the other deal, then the highest deal is the best deal.
